Bandex Packaging Private Limited

<http://www.bandexpackaging.com/>

We are known for our expertise in the field of Packaging Products. The products offered to our clients meet contemporary standards of the market and our packaging products cater to the needs of diverse client base that we have.

About Us

Bandex Packaging Private Limited was established in the year **2009** and is engaged in exporting and distributing a wide range of packaging products to our clients. We offer different types of products like **Heat Sealing Polypropylene Box Strappings, Polyester (PET) Strappings for Heavy Duty Package, Stretch Wrap Film, Polyolefin Shrink Film, Bopp Tapes, Angle Boards, Bandex OD/ID Protector (Wrap Around), Pallets, Fully - Auto Strapping Machines, Economy Model Automatic Strapping Machine, Semi - Auto Strapping Machines, Carton Sealing Machines, Stretch wrappers, Portable Battery Auto Combination Tool, Pneumatic Strapping Tools** etc.

Our products are manufactured using premium quality materials. These products are widely appreciated for their features like efficiency, durability, optimum performance and reliability. They are available in various specifications according to the requirements of the clients. We have a team of experts who constantly check the quality of the products. We use sophisticated machinery to fabricate these products. These are used in various industrial applications.

Under the leadership and management of **Mr. Aashish Maini**, we have managed to attain greater heights of success. His commendable managerial skills and ability to understand the market, has been one of our greatest and the most valuable assets. In addition, he takes special care of his employees, for reasons of keeping them motivated.
